THE Catalog of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication.

A list of the copyright renewals made for periodicals under section 23 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

The fourth number, completing the volume, contains a full annual index to titles. The subscription price for the complete calendar year for Part 2 (Periodicals) is \$2.00, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

Under the provisions of the act of Congress, approved May 23, 1928, the prices of the various parts of the Catalog are now as follows:

NOTICE

The Copyright Act of 1909 provides that, of the articles deposited for copyright registration, the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress and what other books or articles shall be transferred to other governmental libraries in the District of Columbia for use therein.

The Act further provides that any article undisposed of as above and still remaining on the shelves of the Copyright Office may be returned to the claimant of copyright, unless reserved, under the provisions of section 60 of the Act.

NOTICE is, therefore, hereby given to any author, copyright proprietor, or other lawful claimant, that, insofar as any copyright articles deposited from January 1, 1929, to December 31, 1935, inclusive, are still remaining in the files of the Copyright Office, and are not to be transferred to the Library of Congress or to any other governmental library in the District of Columbia, such books or articles, unless reserved, may be returned to the claimant of copyright if requested by such claimant prior to December 31, 1940.

This notice includes any *printed and published* copyright deposits, such as books, periodicals, dramatic compositions, musical compositions, engravings, cuts or prints, lithographs, photo-engravings, or photographs. Manuscripts or typewritten dramas and photographs filed for identifying works of art may not be returned. No maps are available for return.

To secure such possible return the claimant of copyright of record should make formal request for the return of the articles, which must be separately and definitely specified. A suitable blank will be supplied on request. Address REGISTER OF COPYRIGHTS, *Library of Congress, Washington, D. C.*

No. 2

UNITED STATES
GOVERNMENT PRINTING OFFICE
WASHINGTON: 1940

THE Catalog of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication.

A list of the renewals made for periodicals under section 23 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

The fourth number, completing the volume, contains a full annual index to titles. The subscription price for the complete calendar year for Part 2 (Periodicals) is \$2.00, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

Under the provisions of the act of Congress, approved May 23, 1928, the prices of the various parts of the Catalog are now as follows:

NOTICE

The Copyright Act of 1909 provides that, of the articles deposited for copyright registration, the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress and what other books or articles shall be transferred to other governmental libraries in the District of Columbia for use therein.

The Act further provides that any article undisposed of as above and still remaining on the shelves of the Copyright Office may be returned to the claimant of copyright, unless reserved, under the provisions of section 60 of the Act.

NOTICE is, therefore, hereby given to any author, copyright proprietor, or other lawful claimant, that, insofar as any copyright articles deposited from January 1, 1929, to December 31, 1935, inclusive, are still remaining in the files of the Copyright Office, and are not to be transferred to the Library of Congress or to any other governmental library in the District of Columbia, such books or articles, unless reserved, may be returned to the claimant of copyright if requested by such claimant prior to December 31, 1940.

This notice includes any *printed and published* copyright deposits, such as books, periodicals, dramatic compositions, musical compositions, engravings, cuts or prints, lithographs, photo-engravings, or photographs. Manuscripts or typewritten dramas and photographs filed for identifying works of art may not be returned. No maps are available for return.

To secure such possible return the claimant of copyright of record should make formal request for the return of the articles, which must be separately and definitely specified. A suitable blank will be supplied on request. Address REGISTER OF COPYRIGHTS, *Library of Congress, Washington, D. C.*

LIST OF RENEWALS

1940
NEW SERIES, VOLUME 35
No. 3

THE Catalog of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication.

A list of renewals made for periodicals under section 23 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

The fourth number, completing the volume, contains a full annual index to titles. The subscription price for the complete calendar year for Part 2 (Periodicals) is \$2.00, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

Under the provisions of the act of Congress, approved May 23, 1928, the prices of the various parts of the Catalog are now as follows:

NOTICE

The Copyright Act of 1909 provides that, of the articles deposited for copyright registration, the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress and what other books or articles shall be transferred to other governmental libraries in the District of Columbia for use therein.

The Act further provides that any article undisposed of as above and still remaining on the shelves of the Copyright Office may be returned to the claimant of copyright, unless reserved, under the provisions of section 60 of the Act.

NOTICE is, therefore, hereby given to any author, copyright proprietor, or other lawful claimant, that, insofar as any copyright articles deposited from January 1, 1929, to December 31, 1935, inclusive, are still remaining in the files of the Copyright Office, and are not to be transferred to the Library of Congress or to any other governmental library in the District of Columbia, such books or articles, unless reserved, may be returned to the claimant of copyright if requested by such claimant prior to December 31, 1940.

This notice includes any *printed and published* copyright deposits, such as books, periodicals, dramatic compositions, musical compositions, engravings, cuts or prints, lithographs, photo-engravings, or photographs. Manuscripts or typewritten dramas and photographs filed for identifying works of art may not be returned. No maps are available for return.

NEW SERIES, VOLUME 35
No. 4

THIS NUMBER CONTAINS THE VOLUME INDEX

THE Catalog of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication.

A list of renewals made for periodicals under section 23 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

The fourth number, completing the volume, contains a full annual index to titles. The subscription price for the complete calendar year for Part 2 (Periodicals) is \$2.00, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

Under the provisions of the act of Congress, approved May 23, 1928, the prices of the various parts of the Catalog are now as follows:

NOTICE

The Copyright Act of 1909 provides that, of the articles deposited for copyright registration, the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress and what other books or articles shall be transferred to other governmental libraries in the District of Columbia for use therein.

The Act further provides that any article undisposed of as above and still remaining on the shelves of the Copyright Office may be returned to the claimant of copyright, unless reserved, under the provisions of section 60 of the Act.

NOTICE is, therefore, hereby given to any author, copyright proprietor, or other lawful claimant, that, insofar as any copyright articles deposited from January 1, 1929, to December 31, 1935, inclusive, are still remaining in the files of the Copyright Office, and are not to be transferred to the Library of Congress or to any other governmental library in the District of Columbia, such books or articles, unless reserved, may be returned to the claimant of copyright if requested by such claimant prior to December 31, 1941.

This notice includes any *printed and published* copyright deposits, such as books, periodicals, dramatic compositions, musical compositions, engravings, cuts or prints, lithographs, photo-engravings, or photographs. Manuscripts or typewritten dramas and photographs filed for identifying works of art may not be returned. No maps are available for return.

To secure such possible return the claimant of copyright of record should make formal request for the return of the articles, which must be separately and definitely specified. A suitable blank will be supplied on request. Address REGISTER OF COPYRIGHTS, *Library of Congress, Washington, D. C.*
